

About Us

Founded in the year **1984**, our firm is professionally managed Chartered Accountancy Firm spread across North and East India having 08 dealing point across 05 states, registered with **ICAI vide Reg No. 002228C** Our expertise lies in offering highly reliable Consultancy solutions involving Financial Services, Indirect Tax (Service Tax, Custom & Excise Duty, VAT/CST etc.),

Direct Tax, Company Law, Eema. RBI Economic Zone, and Accounting Services. Our team of Chartered Accountants assists clients in every possible manner to solve all their business problems. Further, we also deal in services involving Company Registration in India, Advice on Joint Ventures, LLP Registration, Import Export Code, International Taxation, Management Consultancy and due diligence Services etc.

Our business operations are managed by 11 professionally qualified Chartered Accountants. Their mutual understanding helps us in exploring new avenues and expansion.

The firm providing chartered accounting services has over the years maintained motivated work force, client retention, high integrity, dedication, sincerity, quality of service and professionalism. There are employees working since the inception of the firm and willing to play a long innings.

Today, we are successfully handling the service solutions that assist us in providing complete guidance to customers at every individual stage as desired by them, thus helping us achieve high satisfaction Levels.

We focus on clients. Our main focus is to create synergies by means of amalgamation of different business values to highly value-added services offered to the clients. This helps us in strengthening client's trust, prospects and growth. We take pride in our ability to provide quality services-whether they are an owner-managed business or a large multinational corporation. We are a multi-skilled, multi-disciplined firm, offering clients a wide range of industry-focused business solutions.

We want to build a better working world through our own actions and by engaging with like-minded organizations and individuals. This is our purpose and why we exist as an organization.

Meaningful insights and ideas that match the pace of change in their chosen markets, we assist dynamic organizations to navigate complexities in diverse areas, from refining their business strategy and restructuring organizational design, to enhancing overall business and employee performance, realizing their global ambitions, reducing costs and improving systems and processes.

With shorter decision-making chains, more senior personnel involvement and distinctive client services, we are able to take a wider view and operate in a coordinated way that's as fast and agile as our clients.
